2. Activities

- Saturday, December 4 the library hosted an international holiday presentation. Three exchange students from Salado ISD presented talks on their holiday traditions along with examples of traditional foods. Eleven people attended the gathering with an additional 6 people presenting or assisting.
- December 11 - Karen Kinnison held a class on making Christmas cards at 1 pm. The library provided the materials. Fifteen people attended the class.

3. December 2nd & 3rd Jeanie and Elaine attended training for the Digital Literacy Corp grant we received through CTLS. Both were trained as trainers for computer classes and classes to help people write resumes and utilize the Internet for job hunting. Jeanie will present the classes at our library over 6 weeks beginning the middle of February. Elaine will teach 6 classes each at the Holland library and Temple Public Library. She will teach classes on her own time and will be compensated by CTLS for her time.

4. December 10th Jeanie and Kim attended a workshop on performers for the summer reading program. The both enjoyed the workshop and have contacted a number of performers already for next year's activities.

5. Jeanie has researched and purchased 7 laptops available for checkout through the BTOP grant. We expect to have them in the library by mid January. They will each be equipped with security software installed at Dell and will also have breakage insurance for the life of the three year grant contract. Jeanie is working on the procedure for administration of the service. It will be ready for your discussion and approval at the next meeting.

6. The Leadership Salado visit and luncheon at the library has been moved from January to February 24.
